### YOUTH

Callie grew up in church but experienced a lot of hurt and backlash by people she thought were friends. She just wanted to find a place where she could be comfortable and call home. When she saw Hope City on social media, she was skeptical to visit, but God showed her this is where she is supposed to be. She now has a family and has discovered her purpose at Hope City. Callie serves on the Youth Team and helps others come to know God, find freedom, discover their purpose, and make a difference!
