

WATCH PARTY HOST GUIDE

WHO: Anyone can host a watch party. You don't need any experience and you don't even need to attend Hope City. HOSTing a watch party is simple, you just need to: Have a HEART for people. OPEN your home. SERVE a snack. And TELL a friend.

WHAT: A watch party is simply a group of people who meet in-person to watch service online, build community, and encourage each other to grow in their faith.

WHEN: It's up to you! We have several opportunities for your watch party to join us live on Sunday. You can watch on our Website, Facebook, or YouTube Sunday at 9am, 11am, 1pm, 3pm, 5pm, 7pm & 9pm. If you choose to host your group later in the week instead, the service will be accessible to you on our YouTube Channel Monday morning.

WHERE: We encourage you to host a watch party at your home, place of business, etc. The location is up to you. We do encourage you to have a TV or monitor that you can connect to for the live stream. This can be done via our Website, Facebook, or YouTube.

WHY: Because we meet in schools throughout the Houston area and these school districts have been closed, the decision to not meet in person has been made for us. While on a typical weekend we are one church in 4 locations, this weekend we'll be one church in HUNDREDS of locations around the world!

HOW: We've made it simple with resources and discussion questions for you and your watch party to go through together once the service is complete. Visit hopecity.com/watch-party-hosts to sign-up today.
