Week 2

VIDEO RECAP

How would you explain “spiritual growth”?

One of them [the Pharisees], an expert in the law, tested him with this question: “Teacher, which is the greatest commandment in the Law?”

Jesus replied: “Love the Lord your God with all your heart and with all your soul and with all your mind.’ This is the first and greatest commandment. And the second is like it: ‘Love your neighbor as yourself.’ All the Law and the Prophets hang on these two commandments.”

-Matthew 22:35–40

Jesus’ Top Two

1. Love God.
2. Love your __________.

That’s what spiritual growth is.

But if anyone obeys [Jesus’] word, love for God is truly made complete in them. This is how we know we are in him: Whoever claims to live in him must live as Jesus did.

-1 John 2:5–6

If you want to know how someone is loving God, look at how they treat other people. “A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know you are my disciples.”

-John 13:34–35
The goal is growth in Three Vital Relationships

1. ______________ with God
2. Community with Insiders
3. Influence with _____________

Practicing the Three Vital Relationships leads to spiritual growth.

This is our vision at Hope City: to Love God, Love Peeple, and Change the World.

Definition: Spiritual growth is the process of growing your faith in God and your love for others.

LET’S TALK ABOUT IT

1. Prior to watching the video for this session, how would you have defined “spiritual growth”? How did you come up with that definition?
2. During the message, Clay said, “If you want to know how someone is loving God, look at how they treat other people.” Do you agree with that statement? Why or why not?
3. When it comes to your own spiritual growth, in which of the Three Vital Relationships do you currently devote most of your attention? In which do you devote the least?
4. In what area of your life do you find it challenging put your faith in God? Why is it difficult for you to trust him?
5. Take a few minutes to write down the name of a person or group of people do you find difficult to get along with.

_____________________________

Now, write down three things you can do to love that person or group as you love yourself.

1. ___________________
2. ___________________
3. ___________________

What are some things that stand in the way of you doing any or all of those three things?
THIS WEEK, THINK ABOUT . . .
Spiritual growth is the process of growing your faith in God and your love for others. What is one thing you can do this week to put your trust in God? What is one thing you can do to demonstrate love for another person?

PRAYER
God, help me to trust you more deeply in all aspects of my life. Give me the wisdom and patience to see other people as you see them, and to treat them the way I would want to be treated.

LET’S TALK ABOUT IT
1. During the message, Clay said, “Curiosity is the most powerful ingredient in spiritual growth.” Do you agree? Why or why not?
2. Is your current relationship with God based mostly on what you know about him or on knowing him? What are some ways you can connect relationally with your heavenly Father?
3. What are some characteristics of a person who is curious about others?
4. Use one or more of the following scenarios to explore what it looks like to respond to others with humility and curiosity.

Scenario 1
A friend shares that his mother died two years ago after a long bout with cancer. He doesn’t know how a good God could have let her suffer the way she did or why she would die even though she was a good person while bad people continue to live. How would you respond to what your friend said?

Scenario 2
A co-worker asks if you think she should pursue a promotion that has become available at work. She has strong business and leadership skills, but lacks self-awareness. For example, she sometimes says things that hurt other people’s feelings and doesn’t seem to notice. You think the promotion will include responsibilities she’s not quite ready to handle. How do you respond to her inquiry?

Scenario 3
An acquaintance that knows you’re involved in church opens up about the important role meditation has played in his spiritual journey. He says that he’s a Christians because he definitely believes in Jesus, but that he also considers himself a Buddhist. How do you respond?
5. Talk about a time when you learned something about yourself that you didn’t previously know. How did it change the way you thought about yourself? How did it influence your behavior moving forward?

THIS WEEK, THINK ABOUT . . .
What is one thing you can do this week to practice curiosity about God?

______________________________

About other people?

______________________________

About yourself?

______________________________

How can this group support and encourage you as you take action?

PRAYER
God, help me to seek to better understand you, to ask other people questions instead of making snap judgments, and to continually seek feedback so I can better understand myself.
