## When “What If” Becomes “What Now” | Brad Straarup

*13 Furious with rage, Nebuchadnezzar summoned Shadrach, Meshach and Abednego. So these men were brought before the king, 14 And Nebuchadnezzar said to them, “Is it true, Shadrach, Meshach and Abednego, that you do not serve my gods or worship the image of gold I have set up? 15 Now when you hear the sound of the horn, flute, zither, lyre, harp, pipe and all kinds of music, if you are ready to fall down and worship the image I made, very good. But if you do not worship it, you will be thrown immediately into a blazing furnace. Then what god will be able to rescue you from my hand?” 16 Shadrach, Meshach and Abednego replied to him, “King Nebuchadnezzar, we do not need to defend ourselves before you in this matter. 17 If we are thrown into the blazing furnace, the God we serve is able to deliver us from it, and he will deliver us from Your Majesty’s hand. 18 But even if he does not, we want you to know, Your Majesty, that we will not serve your gods or worship the image of gold you have set up.”*

## DISCUSSION QUESTIONS:

1. What are some questions or curiosities you have from today's message? (Leader Note: This is a great place to understand where your group is in their spiritual walk and understanding. Encourage members to ask whatever questions they may have - often, people are hesitant to ask questions when they feel they might be too "basic" or about something they should already know)
2. What is one point from the message that stuck out to you? Why? (Leader Note: As members share their points, allow people to engage with one another about these points. Are two or more people bringing up the same point? Use that time to talk more about it, see how it moves you and your members - the Holy Spirit may be leading your House Party in a specific direction)
3. What is a truth about God, the world, or yourself that you have learned today?
4. What is one way you can apply this message to your life this week? (Leader Note: Great applications are S.M.A.R.T: Specific, Measurable, Attainable, Relevant, Time-bound).
