# **6 Tips for Lively Discussions**

# Lame discussions don't lead to lame groups. They lead to empty rooms.

1

The best discussions are with people you know, so get to know them.

2

Mix it up.

3

Try and stay with the 30/70 Rule.

4

If you struggle, ask someone to evaluate and coach you through.

“Good communication is as stimulating as black coffee and just as hard to sleep after.”

— Anne Morrow Lindbergh
