DISCUSSION QUESTIONS:

1. What are some questions or curiosities you have from today's message? (Leader Note: This is a great place to understand where your group is in their spiritual walk and understanding. Encourage members to ask whatever questions they may have - often, people are hesitant to ask questions when they feel they might be too "basic" or about something they should already know)
2. What is one point from the message that stuck out to you? Why? (Leader Note: As members share their points, allow people to engage with one another about these points. Are two or more people bringing up the same point? Use that time to talk more about it, see how it moves you and your members - the Holy Spirit may be leading your House Party in a specific direction)
3. What is a truth about God, the world, or yourself that you have learned today?
4. What is one way you can apply this message to your life this week? (Leader Note: Great applications are S.M.A.R.T: Specific, Measurable, Attainable, Relevant, Time-bound).
