HOPE CITY KIDS

S.O.A.P. JOURNAL

SCRIPTURE - OBSERVATION - APPLICATION - PRAYER

Dear Parents,

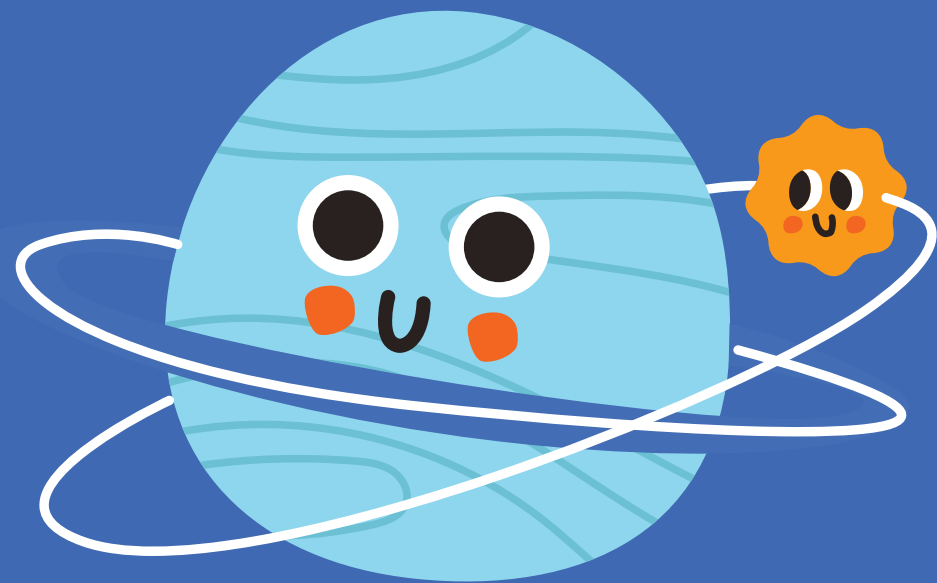

We wanted to take a moment to tell you the why behind the creation of this journal and how you can help your child use it.

Hope City Church's Hope City Kids journal was created as a discipleship tool. It is a practical way to encourage your kids to develop healthy times with God. You get to champion this from home as the primary spiritual influencer! As we, kids and adults alike, spend time with God, we hear from Him. He prompts and guides us by His Holy Spirit as we read His word and pray.

SOAP stands for Scripture, Observation, Application, and Prayer. First, you read the Scripture for the date given. After you read the Scripture, you take some time to respond. Write down the phrase or verse(s) that pops out to you. What passage are you drawn to? That is the Scripture you write down. Next, you Observe in your own words what you gather is happening in the text you read. Third, you Apply what you read to your life. God is speaking to us all; we all have different ways to apply a passage to our lives. Finally, Pray. Ask God to help you apply what He's showing you in your life.

Included in the following few pages is an example to help you get started in this amazing and life-changing way to spend time with God. Please let us know if there is anything we can do to help your family grow in Jesus. God's blessings and love to you and your family.
