Reset Your Mindset | Pastor Daniel Groves
The Reset: New Beginnings Week 2

Main Idea

Just like Pastor Daniel's fan that was unmaintained gave room for a pigeon to build a nest and compromise the whole house, one component left unguarded in our lives can bring compromise to the whole structure. What we attempt to avoid, the devil will invade. Today we will see God's Word has given us a filter that reveals His truth to us so that we can reset our mindset

*You will keep in perfect peace all who trust in you, all whose thoughts are fixed on you!
(Isaiah 26:3)*

Additional Scriptures: Revelation 1:8

JESUS IS THE RESET.

Where Adam opened the door to sin, He Jesus who knew no sin became sin that we might become the righteousness of Christ.

For if by the trespass of the one (Adam), death reigned through the one (Adam), much more surely will those who receive the abundance of grace and the free gift of righteousness reign in [eternal] life through the One, Jesus Christ. (Romans 5:17, AMP)

What things specifically did Jesus reset in your life the day you began a relationship with Him? How are things different now?

MAINTENANCE IS REQUIRED.

Any part of your life that you neglect to maintain will become a foothold for the enemy to enter into your life. What are you doing to maintain your spiritual growth process? Have you tried the first 20 challenge? How is that working out for you?

Additional Scripture: 2 Corinthians 10:5, Psalm 4:23; Hebrews 4:12

WE WIN!

God has always been there for you and will always be your faithful friend. He is our hope for today and every tomorrow. What areas of your life do you need to hold on to the hope that since Jesus won, we win?

Additional Scripture: Revelation 1:8

Summary

His plan always started and ended with a dwelling place for His people where we find rest in His presence. Even though the enemy may have taken a foothold in the midst of your journey, God can, and will redeem your entire life if you call on His name. Today there are so many things that try to rob us of the will of God for our lives, but the key is to reset our mindset.

Call To Action

A goal without a plan is just a wish. A goal with a plan produces results. Destinies are defined by day to day decisions. Learn to disconnect and reset.

1. What are some areas of your life that you have left on autopilot? Examine those areas and determine what/who has invaded and built a nest.
2. Pastor Daniel mentioned that the first step to reset our mindset is to introduce accountability (See James 5:16). Who has God placed in your life that you can build that type of relationship with? Consider LEADING or JOINING a Connect Group so that you can build authentic relationships and grow your spiritual life.
3. Pastor Daniel also talked about the benefits of removing contaminants and how the Word of God filters out the murky, messy things in our lives. Commit to the first 20 challenge and schedule it on your calendar as a priority.

Don't forget to join us for Saturday morning prayer, 9AM at your campus. As you begin this New Year, have you considered what Dream Team could you join? What about leading or joining a Connect Group?

Game: Tick-Tock-Tic-Tacs

This minute-to-win-it game requires nothing more than a couple of handfuls of the popular breath mints, some paper plates and a pair of tweezers. Here's how it works: Guests compete to move as many Tic Tacs from one plate to another in 60 seconds using only the tweezers. The game proceeds one at a time, and whoever transfers the most mints wins the prize (of knowing they have superior fine motor skills).
